Technoseek

1. This event is open to all the students of DSCE Campus, irrespective of their department and semester.
2. This is a team event and requires 3-4 players in each team.
3. Prior registration needs to be done when the form is circulated. We will not entertain any spot registrations.
4. College ID Card is mandatory for this event.
5. The whole event duration is 2 hours excluding the extra 1 hour which will be given for the gathering of all the participants and initial preparations.
6. This event covers a wide range of technical aspects and tools. All the teams are free to use any resource at their disposal for solving the challenges.
7. No team can help any other team. If caught, both teams shall be disqualified.
8. There will be no hints given at all during any phase of the hunt.
9. All students are expected to reach the venue within the reporting time given by the organizers.
10. Each team should have 1 laptop among themselves.
11. There will be 2 teams that will conclude the winning of the Technoseek event, being the 1st and 2nd teams to reach the final location and complete the task.
12. Any kind of malpractice will lead to disqualification.
13. The final decision will be at the discretion of the organizers.
